

# RCI system Atlas rail machine

## RCI system with:

- Height limiter
- Slew limiter
- Load moment control
- Speed control

## Complies with legislation:

- UK RIS1530
- EN15746
- NEN-EN13000:2010

## Redundant sensors

When speed, efficiency and safety are crucial.

**Compact housing**  
**IP66/67**  
**Daylight readable display**

**Max. Load Charts**  
**Generated with**  
**PKS Loadchart-**  
**generator**

**Almost all**  
**Attachements**  
**possible**

**Also possible as retrofit system on existing machines**

**HEAVY INDUSTRY | RAIL | MOBILE CRANES | CONSTRUCTION AND INFRA | PORTS AND SHIPYARDS | LEGACY SYSTEMS | OFFSHORE AND DREDGING | SHIPPING AND FISHERY**
